

Church Family News and Prayers

The Debt Saviours

It's not often we mention a television programme on the back of the notices but ***Christians Against Poverty*** have asked us to remember in prayer the programme about their work that the BBC have broadcast this week.

It's an hour long documentary about how people get drawn into debt and what some churches have been doing to help them with their problems - through counselling, financial advice and prayer.

The details are: ***BBC Two on Friday 5 October at 9.00pm***. If you're reading the email version of the notices, you'll be able to watch it live. If you're reading this on Sunday morning, the programme is still available on Catch Up and iPlayer.

People easily get cynical about church in the 21st Century so it's a real encouragement that the BBC have taken a look at this work – Glenwood have been involved in debt counselling for a generation.

So please pray for the programme, for the work that is being done and, in particular for Glenwood's long-term commitment to helping those who have sunk into a big black hole marked Debt.

We continue to pray for those members of our Church Family and Friends who are unwell and all those who mourn.

*If you would like to be included in the prayer list,
Please write your name in the book in the foyer of the church.*
