Thought Box

We do not stop playing because we are old, we grow old
because we stop playing

Worry is a thin stream of fear trickling through the mind. If
encouraged, it cuts a channel into which all other thoughts are
drained.

Arthur Somers Roche

Some people find fault as if it were buried treasure

Francis O'Walsh

Use soft words in hard arguments *H G Bohn*

Prayer means not always talking to him but listening until the
dust settles and the stream runs clear

As we journey through life, discarding baggage along the way,
we should keep an iron grip, to the very end, on the capacity
for silliness.

Humphrey Lyttleton

***We continue to pray for those members of our Church Family
and Friends who are unwell and all those who mourn.***
